way, which enables the company to constantly grow and expand its market share not only in Florida, but in other states.

Also, we would like to express our gratitude to Svetlana Yakzhina for the great interest in our products. She constantly researches the best ways of working with Preciosa products in the U.S. market and attends various exhibitions of Preciosa manufacturer.

Following the results of this year, Berkana USA is planning to expand its sales to the State of Georgia, which is going to be added to our Exclusive Distributorship Agreement with Berkana USA. Our company Preciosa Beauty is confident that Mrs. Yakzhina will ensure that Berkana USA achieves these goals and objectives.
